# THE GALÁPAGOS

## TOP TEN REASONS TO TRAVEL WITH LINDBLAD EXPEDITIONS-NATIONAL GEOGRAPHIC

- 1. Experience matters.** Lindblad Expeditions-National Geographic has more experience than any other operator in Galápagos. In 1967, Lars Eric Lindblad led the first non-scientific expedition to the Galápagos.
- 2. The most knowledgeable and experienced naturalists.** A core group of naturalists work exclusively for Lindblad-National Geographic, providing a continuity of in-depth knowledge. We also provide one of the best naturalists-to-guest ratios in Galápagos.
- 3. More flexibility, choices and activities.** Guests are never "herded". They are offered options at every opportunity. Swim, snorkel, walk, hike and kayak almost every day. Explore by Zodiac and take advantage of our onboard certified photo instructor.
- 4. Conservation commitment.** Since 1997, more than \$5.5 million has been raised for projects such as fostering the restoration of native plants throughout the islands and tracking giant tortoises.
- 5. We own and operate our two ships.** We are the only U.S. company to own and operate two ships in Galápagos, *National Geographic Islander* and *National Geographic Endeavour*, giving us oversight and control that many others just don't have.
- 6. Year-round departures.** Our ships operate year-round, each offering full-week itineraries, with *National Geographic Endeavour* departing every Friday, and *National Geographic Islander* departing every Saturday.
- 7. Geological tools add to the guest experience.** No other company can match our range of tools for exploration: video microscopes, plasma screens, undersea specialists, hydrophones, video chroniclers, splash cams and daily expedition reports.
- 8. The undersea, illuminated.** Both our ships have an undersea specialist and complete snorkelling gear. *National Geographic Endeavour* is equipped with both an ROV and glass-bottom boat.
- 9. Ideal for groups & families.** All departures include staff members who are specially trained and skilled in organising activities for and inspiring curiosity in young people of all ages.
- 10. Dedication to excellent expeditions—and the mind-body connection.** We offer a comprehensive wellness program featuring nature-inspired spa treatments, daily stretching under the guidance of an instructor and exquisite cuisine.

## THE WORLD IS YOUR PALETTE

A spectacular array of diverse and exotic destinations, the world is a palette of colours, brought together by the ships of Oceania Cruises in a collection of brilliantly crafted itineraries. As our ships are comfortably mid-size, they can call on a unique blend of destinations, from iconic cities to charming boutique ports, presenting each in its very best light. As you travel to the next vibrant port of call, relax on board and savour the finest cuisine at sea, inspired by the renowned Master Chef Jacques Pépin.

## MASTERFUL DESIGN

From the luxurious furnishings of *Regatta*, *Insignia* and *Nautica* to the Grand Staircase adorned in Lalique crystal on *Marina* and *Riviera*, the onboard ambiance exudes style and artistry. When designing *Marina* and *Riviera*, the founders of Oceania Cruises knew that the art collection on board must do justice to the artful elegance of the ships. Thus, around any given corner you can find a brilliant work by Picasso or a treasure from an exciting new artist. From the itineraries to the cuisine to the ships themselves, a voyage with Oceania Cruises is truly a masterpiece.

Unlike other cruise companies, Tauck includes privately guided shore excursions that take you inside the destination, both on and off the beaten path, like no one else does!

#### OUR TAUCK DIRECTORS

- Averaging 10 years of service with Tauck, our Tauck Directors are personifications of the world "Leader"

- Our Tauck Directors provide personalised attention and customised service onboard and ashore
- They manage all daily details of travel (including hotel check-in / check-out and luggage handling) and oversee your on-tour transportation
- They choreograph each day's sightseeing, seamlessly, keeping to schedules to make the most of your time
- Smaller groups immerse in cultural exploration on shore excursions with our Tauck Directors and local guides

#### PERSONALISED CRUISING

- 40 – 264 guests aboard Tauck's yachts and expeditionary vessels offer personalised cruising, thoughtful service and more space
- Enjoy an exclusive, club – like atmosphere when you are onboard; no crowds or lines make it easy to get on and off the ship for Tauck's private shore excursions
- Dress is comfortable, unassuming and casual... the pace is unhurried, the ambiance relaxed and most welcoming
- Your surroundings are gracious, the service has style, and life aboard the ship is easygoing and congenial – all the right ingredients to make it easy to foster new friendships throughout your cruise

8 days from US\$6,890\*pp, departs 13, 20 & 27 Jul '16  
onboard the L'Austral

Sold out year after year! Come with us on our 8-day Iceland cruise aboard L'Austral – your stylish, yacht-like small ship – and get to know surprising Iceland as few people do. Iceland... a land of volcanoes and glaciers... epic sagas, heroic legends and a rich history... elves and spirits... puffins and whales... home to the world's first legislative parliament convened in 930 AD, the northernmost golf course in the world, the most northerly capital city... and a human population of only a little over 300,000 people. Tauck's Iceland cruise sails from sophisticated Reykjavik to off-the-beaten-track towns, tiny villages and islands populated by just a handful of people. Bird watchers will be delighted by all the opportunities to observe puffins, arctic terns and other species that thrive in Iceland, and history lovers will find much of interest in Iceland's story. L'Austral is small enough for an intimate cruise experience yet large enough to provide amenities found on large cruise ships; all staterooms and suites have ocean views, and 95% have private balconies.
